

# PRAIRIE PULLING LEAGUE

*Pulling across the Prairies*

## 2026 Event Program

## DESCRIPTION OF EACH CLASS

### **MICRO MINI**

- is the kid's starter class
- weighing 1500 lb with a maximum engine size of 2.5 L
- you will see all sorts of different combinations

### **MINI MODIFIED**

- is a 2050lb weight class
- 575 cubic inch maximum naturally aspirated engine or 370 cubic inch forced induction
- with a wide variety the mini's always put on a wild show

### **SUPER MINI**

- weigh 2050lbs & can run an engine as big as 575 cubic inches with a maximum 14.71 blower.
- they are always a handful and put on a great show

### **MODIFIED DIESEL**

- stock appearing truck and drive line with 3.0" turbo or smaller, no pulling tires with a 8000 lb limit

### **UNLIMITED DIESEL**

- is a custom built pulling truck with a 3.6" turbo or smaller, with a 8000 lb weight limit
- you will see street tires and pulling tires go head-to-head
- the sky's the limit

### **MODIFIED 4WD**

- is a 6200 lb 4wd class with a max 650 cubic inch naturally aspirated engine or max 440 cubic inch with a 6.71 blower

### **SMOKER CLASS**

- includes tractors powered by diesel fuel and alcohol with a weight maximum of 8500 lbs
- they are based off of farm tractors that are highly modified

### **2WD**

- weighing a maximum of 6200 lbs, and maximum 575 cubic inch engine with a 14-71 blower
- a fan favorite, usually running the length of the track on two wheels

### **MODIFIED TRACTOR**

- weighing a maximum of 7800 lbs and utilizing many different engine combinations from 3 naturally aspirated engines, one blown alcohol injected engine or even a helicopter engine!

### **SUPER MODIFIED**

- weighing a maximum of 7800 lbs
- you can run any engine combination you can think of, from multiple blown alcohol engines to aircraft engines
- the sky's the limit and this class is a real showstopper!
